MULTI-ETHNIC STUDY OF ATHEROSCLEROSIS
Follow-up Phone Call 10

Contact Cover Sheet

FINAL STATUS CODES
Enter the following two status codes when the final Follow-up Phone Call 10 contact status has been obtained for the participant (i.e., when contact is determined to be definitely successful or unsuccessful). If participant is deceased, make every effort to obtain proxy interview.

1. Mark appropriate final Visit Status Code:
   - Interview completed (Complete section 1a)
   - Interview partially completed (Complete section 1a and 1b)
   - Interview not completed (Complete section 1b)

   Section 1b
   - Reason not done:
     - Unable
     - Refused MESA only
     - Refused MESA Air only
     - Refused all studies
   - Reason refused:
     - Problem with the study
     - Life situation
     - Lack of time
     - Other, specify:

   Section 1a
